

# MEET THE ECOB FAMILY

AN OWNER'S CASE STUDY OF  
GOLDEN SANDS HOLIDAY PARK IN RHYL

Pam Ecob and her family have been Owners at Golden Sands Holiday Park in Wales for 6 years. This is their Ownership Story...

**Have you owned a Holiday Home before?**

No.

**How often do you visit the site?**

Every weekend when possible, during the school holidays and at the New Year.

**Typically, who do you visit with?**

My husband, foster children, daughters, grandchildren and friends.

“

It's opened up a whole new world for our family and extended family.

”

## What made you decide to buy a Holiday Home?

My Daughter had visited Golden Sands on a Sun Holiday and loved it. She suggested we should buy a van here.

## Why did you choose Golden Sands?

Because of my daughter's recommendation. If she loved it, we knew we would and when we came to visit we could see why she suggested it.

## How did you find the process of buying?

It was a fairly straight forward process. Everything was explained and we had plenty of time to think things through.

## What do you think are the top benefits of owning a Holiday Home?

Being able to come on holiday any time we like, with no time limit on our stay.

## What is owning a Holiday Home at Golden Sands like for your family?

It's opened up a whole new world for our family and extended family. The children have many opportunities to experience different things and make new friends. And we as Owners, also make new friends. Our family can visit whenever they wish, which is such a nice feeling.

“The staff are very helpful, the food is outstanding and the GoldStars do an amazing job, with varied entertainment of a great standard.”

## What advice would you give to anyone considering Ownership at Golden Sands Holiday Park?

Come and talk to the sales staff and have a good look around. Also try and speak to some Owners whilst you are here.
