MEET THE FLANNERY'S

AN OWNER'S CASE STUDY OF GOLDEN SANDS HOLIDAY PARK IN RHYL

Hilda and her family have been Owners at Golden Sands Holiday Park in Wales for 9 years. This is their Ownership Story...

Have you owned a Holiday Home before?

No.

How often do you visit the site?

We come to our Holiday Home as much as we possibly can.

> " I feel like it has given me an extra ten years on my life being here. We love the lifestyle! "

Typically, who do you visit with?

I tend to come along with my husband and family.

What made you decide to buy a Holiday Home?

It was a spur of the moment thing, but we are so glad we did it.

Why did you choose Golden Sands?

We were just walking through one day and got talking to a sales man called Sam. He took us around the Park and we were hooked!

How did you find the process of buying?

It was all very easy.

What do you think are the top benefits of owning a Holiday Home?

Being able to holiday every weekend, and meeting up with my family, who I didn't get to see very often because we live miles apart.

What is owning a Holiday Home at Golden Sands like for your family?

It's great. We get to see each other more often and our grandchildren come at school holiday times, which is lovely.

> " I feel we have met more friends here than we have at home in a little village. It's a happy community. "

Tell us about the Owner's Events?

We love them! It's great meeting all of our Owner friends and new Owners.

What advice would you give to anyone considering Ownership at Golden Sands Holiday Park?

Don't do it to make money renting your vans, do it for yourself to enjoy the relaxing life style.
