AN OWNER'S CASE STUDY OF
GOLDEN SANDS HOLIDAY PARK IN RHYL

Audra Quinn and her family have been Owners at Golden Sands Holiday Park in Wales for 3 years. This is their Ownership Story...

Have you owned a Holiday Home before?

No, we have never owned a holiday home before.

How often do you visit the site?

We visit Golden Sands Holiday Park every weekend and during holidays.

Typically, who do you visit with?

I come with my husband, daughter and our grandsons.

“ There is plenty to do and a lovely beach . The best thing is making good friends with other Owners and having a good laugh. ”

What made you decide to buy a Holiday Home?

To have regular holidays, and to make new friends. Also there is plenty to do on the Park for the grandchildren.

Why did you choose Golden Sands?

I use to bring my children here when they were young. They loved coming here. Now they can bring their children here to experience the holidays that they did all those years ago.

How did you find the process of buying?

Very easy. The staff were very helpful.

What do you think are the top benefits of owning a Holiday Home?

The whole family can benefit from holidays whenever they want .

“ Golden sands is the place to make memories and friends. The staff are very friendly and helpful at all times . There's lots to do on the Park and the beach is almost on your caravan doorstep . ”

What is owning a Holiday Home at Golden Sands like for your family?

They all love it here, especially my grandson.

He makes friends with the old folk, but there is plenty to do and a lovely beach. The best thing is making good friends with other Owners and having a good laugh.

Tell us about the Owner's Events?

The events are excellent. The staff put a lot of effort into trying to please as many people as they can, so there is always something for everyone. The comedy nights and free breakfast goes down well with my family .

What advice would you give to anyone considering Ownership at Golden Sands Holiday Park?

If you are going to buy a caravan, let your family and friends make as many lovely memories as they can. Enjoy it. Don't delay and buy today!
