Welcome to the Golden Sands Owners Newsletter October 2016

HELLO AUTUMN

Welcome to your Autumn Owners newsletter. We hope you had a great summer even if the weather was a little temperamental at times! Hopefully you've managed to get down to a couple of the Owner events - the Bierkeller night was as always a great success - everyone seems to really love this event - Owners and team!

There's plenty to update you on activities past and upcoming so let's get on with the news.

Beachfields Development

All Beachfield owners should have received a letter regarding the works commencing on the field adjacent to the current Beachfields.

The area has been fenced off ready for works to start and the developers are starting to bring in their equipment. Works will commence at the beginning of October with one base being completed and the site managers office being placed here. Full works seek to be completed by February 2017. Additional bases will house lodges and other premier units with an 8 month licence 1st March - 10th November.

We are working with the developer to ensure that there is as little disruption to the Beachfields owners and the rest of the park, though if you feel that this is not the case please bring it to our attention by either calling security, the reception team or the guys in the sales office. If you don't report it, we can't take any actions.

Signage

You will have seen that we have new signage around the park which we hope you like and is helping your visitors as well as our holidaymakers find their way around the park! We are just waiting on the Mph signs for the Beachfields road as well as 'children playing'.

Speed Bumps

The speed bumps have been placed around Beachfields and the remaining planned to go down the main road once the new development has been finalised in the spring 2017.

Security & CCTV

As you know we increased the hours of security some while back and have regular patrols around the park (for those looking out for them, they're not always driving the golden sands vehicle!) We have also installed additional cameras around the park and over Beachfields.

As much as we have 24hr security, we also need assistance from you, if you see something untoward, don't just tell another owner or write it on social media - please call through to the security phone number. If you can't get through straight away, please keep trying.

Winterisation

Yes it's that time again - we need to start working out how we are going to prepare our Holiday Homes for the cold snap and apparently (if we are to believe the weather forecasters) it's coming earlier than we think.

You'll be receiving our winterisation booklet along with a letter and order form if you wish for us to carry out any services on your behalf in October. But if you wish to carry out jobs yourselves, the information booklet holds some top tips. Please make sure you double check your insurance and that you are covered for the winter spell.

WINTER
IS COMING

Complex Opening Hours

The complex will be kept open during November/December though the opening times will change due to low demand in the services. Further details of these will be in your Winterisation letter.

Management Meetings

We've held the first of our management meetings and they brought about a great deal of feedback and discussion. We hope all who attended found them useful. We will be sharing the notes from the meetings for all those who could not attend. If you wish to book another date we are holding more meetings on 5th/6th November and 3rd/4th December. Call through to reception to book your place (one owner per plot).

Turkey Tinsel Break

21st - 25th November. Will be a great week bringing Christmas early. Food, games and entertainment.

Owners £30 per adult for the 4 days/nights. If you're renting out your caravan this week it will be £65 per adult, £30 per child. (No entertainment pass required as per 2016 registration form though form will need to be completed).

Holidaymakers in general £149 per adult* and £79 per child (includes accommodation, food and entertainment for 4 nights) *min 2 people

Please book your places via reception **01745 343606** option 2 or **zara@goldensandsrhyll.co.uk**

Entertainment

We've got some great events coming up. Some new events for your calendar include the following:

Sunday 23rd October come join us in the sales office for a buffet lunch and indoor funday in the showbar! Sat 29th is our Halloween party and fireworks display as advertised on the calendar

Sat 5th November we'll be having a fireworks display 6.30pm and then from 7pm in the sales office Ariiiiiibaaaa, it's Mexican night.

Then for November weekends (Sat & Sunday 12th, 13th-19th, 20th-26th, 27th) Santa has booked himself into the Park early and will be outside the sales office with a wonderful winter wonderland in our sales office.

We'll have salt packs for all owners and some small presents for the kiddies.

Pirates panto on 25th and our fab Halloween party on sat 29th with a great fireworks display. There'll be prizes for the best fancy dress at the party, so get putting your ideas into action. We also would love to see your caravans decorated too! Share on the Facebook group page for us to see!

Don't forget the Christmas Party, Panto and Grotto on Saturday 10th December. New Years eve tickets will be available from the beginning of December – in person only.

Don't miss out!

2017 Registration Forms

You should all have received the information regarding the new registration forms for 2017. If not you can find a copy

of the form on the park website

www.goldensandsrhyll.co.uk under Owners; Useful information which you can download.

Updating information

We've had some owners recently state that they never receive, which could mean that the records we have for you in our system aren't correct. We send these to all the home addresses which are on your accounts, so if you are reading this because you have picked it up via reception or the sales office and not through the post – please pop into the sales office and update your details as you could be missing out on a number of other things. We'll do what we can to ensure details are updated, but unless you've told us otherwise we will for the time being go with what you informed us at the time of sale.

If you have anything additional you would like to see in your newsletters, please let us know. We'd love to share ideas, maybe even recipes, jokes, quizzes?

Let us know by emailing ilona@goldensandsrhyll.co.uk

Enjoy the autumn months, your next newsletter will be December.

Kindest regards, All the Golden Sands team
